#### § 1205.24 General.

A sign-up period will be conducted to determine whether eligible producers and importers favor the conduct of a referendum on the continuance of the 1991 amendments to the Order.

- (a) If the Secretary determines, based on the results of the sign-up period, that at least 10 percent (4,622) or more of the number of cotton producers and importers who voted in the 1991 referendum request the conduct of a continuance referendum on the 1991 Order amendments, a referendum will be held within 12 months after the end of the sign-up period. Not more than 20 percent of the total requests counted toward the 10 percent figure may be from producers from any one state or from importers of cotton.
- (b) If the Secretary determines that fewer than 10 percent (4,622) of the number of producers and importers who voted in the 1991 referendum do not favor a continuance referendum, no referendum will be held.

## § 1205.25 Supervision of sign-up period.

The Administrator shall be responsible for conducting the sign-up period in accordance with this subpart.

#### § 1205.26 Eligibility.

Only persons who meet the eligibility requirements in this subpart may participate in the sign-up period. No person is entitled to sign up more than once.

- (a) Except as set forth in paragraphs (b) and (c) of this section, the following persons are eligible to request the conduct of a continuance referendum:
- (1) Any person who was engaged in the production of Upland cotton during calendar year 2006; and
- (2) Any person who was an importer of Upland cotton and imported Upland cotton in excess of the value of \$2.00 per line item entry during calendar year 2006.
- (b) A general partnership is not eligible to request a continuance ref-

erendum, however, the individual partners of an eligible general partnership are each entitled to submit a request.

- (c) Where a group of individuals is engaged in the production of Upland cotton under the same lease or cropping agreement, only the individual or individuals who signed or entered into the lease or cropping agreement are eligible to participate in the sign-up period. Individuals who are engaged in the production of Upland cotton as joint tenants, tenants in common, or owners of community property, are each entitled to submit a request if they share in the proceeds of the required crop as owners, cash tenants, share tenants, sharecroppers or landlords of a fixed rent, standing rent or share tenant.
- (d) An officer or authorized representative of a qualified corporation, association, or limited partnership may submit a request on behalf of that corporation, association, or limited partnership.
- (e) A guardian, administrator, executor, or trustee of any qualified estate or trust may submit a request on behalf of that estate or trust.
- (f) An individual may not submit a request on behalf of another individual.
- (g) Participation in the sign-up by proxy or power of attorney is not authorized.

[62 FR 1660, Jan. 13, 1997, as amended at 67 FR 21169, Apr. 30, 2002; 72 FR 51160, Sept. 6, 2007]

## § 1205.27 Participation in the sign-up period.

The sign-up period will be from September 4, 2007, through November 30, 2007. Those persons who favor the conduct of a continuance referendum and who wish to request that USDA conduct such a referendum may do so by submitting such request in accordance with this section. All requests must be received by the appropriate USDA office by November 30, 2007.

- (a) Before the sign-up period begins, FSA shall establish a list of known, eligible, Upland cotton producers in the country that it serves during the representative period, and AMS shall also establish a list of known, eligible Upland cotton importers.
- (b) Before the start of the sign-up period, AMS shall mail a request form to

each known, eligible, cotton importer. Importers who wish to request a referendum and who do not receive a request form in the mail by September 4, 2007, may particiante in the sign-up period by submitting a signed, written request for a continuance referendum, along with a copy of a U.S. Customs and Border Protection form 7501 showing payment of a cotton assessment for calendar year 2006. Importers must submit their requests and supporting documents to USDA, FSA, DAFO, Attention: Rick Pinkston, P.O. Box 23103, Washington, DC 20026-3103. All requests and supporting documents must be received by November 30, 2007.

Cotton producers not listed on the FSA-578 shall submit at least one sales receipt for cotton they planted during the representative period. Cotton producers must make requests to the county FSA office where the producer's farm is located. If the producer's land is in more than one county, the producer shall make request at the county officer where FSA administratively maintains and processes the producer's farm records. It is the responsibility of the person to provide the information need by the county FSA office to determine eligibility. It is not the responsibility of the county FSA office to obtain this information. If any person whose name does not appear on the county FSA office list fails to provide at least one sales receipt for the cotton they produced during the representative period, the county FSA office shall determine that such person is ineligible to participate in the signup period, and shall note "ineligible" in the remarks section next to the person's name on the county FSA office sign-up sheet. In lieu of personally appearing at a county FSA office, eligible

producers may request a sign-up form from the county FSA office where the producer's farm is located. If the producer's land is in more than one county, the producer shall make the request for the sign-up form at the county office where the FSA administratively maintains and processes the producer's farm records. Such request must be accompanied by a copy of at least one sales receipt for cotton they produced during the representative period. The appropriate FSA office must receive all completed forms and supporting documentation by November 30, 2007.

- (5) Make available to importers through FSA instructions on voting, an appropriate ballot and, except in the case of a referendum on the termination or suspension of an order, a summary of the terms and conditions of the order. The instructions on voting shall explain the appropriate method to be used in determining the amount of cotton imported during the representative period and specify whether such amount is to be entered on the ballot. If applicable, the following terms and conditions apply:

It shall be the duty of each FSA county office to conduct each referendum in a fair, unbiased, and impartial manner in accordance with the regulations in this subpart.

#### § 1205.203 Voting eligibility.

- (a) General eligibility requirements. The following persons shall be eligible to vote in an announced referendum—
- (1) each person who was engaged in the production of Upland cotton during the representative period; and
- (2) each person who is an importer of Upland cotton and who, during a 12-month period ending no later than 90 days prior to the conduct of the referendum, imported Upland cotton.
- (b) Special eligibility requirements. (1)(i) A person may qualify as an eligible voter by meeting the eligibility requirements, but no such person shall be entitled to more than one vote regardless of the number of importing entities or Upland cotton farms in which the person is interested or the number of communities, counties, or States in which are located farms in which such person is interested: Provided, however, That the individual members of a qualified partnership shall each have one vote, but the partnership as such shall not have a vote and an individual who qualifies as an eligible voter by reason of that individual's separate farming or importing operations will be entitled to one vote even though that person is interested in an entity such as (but not limited to) a corporation which is also eligible as a voter and entitled to one vote. A person who, as a guardian, administrator, executor, or trustee engages in the production of Upland cotton or importation of cotton will be eligible to vote in such a fiduciary capacity if, in such a capacity, that person qualifies as an eligible voter.
- (ii) In such cases the person for whom he or she is acting in a fiduciary capacity will not be eligible to vote. An indi-

vidual may, if otherwise eligible, cast a ballot in his or her individual capacity although that person may also cast a ballot as a guardian, administrator, executor, or trustee. An individual who holds more than one fiduciary position may vote as a fiduciary in each case in which that person is otherwise eligible, as for example, if an individual is administrator of estate X, he or she may cast a ballot as administrator of estate X, and if the same individual is administrator of estate Y, he or she may cast another ballot as administrator or estate Y.

(2) Where a group of several persons, such as a spouse or marital partner, and children, or unrelated individuals. are engaged in the production of Upland cotton under the same lease or cropping agreement, only the person or persons who signed or entered into the lease or cropping agreement shall be eligible to vote. In the event two or more persons are engaged in the production of Upland cotton as joint tenants, tenants in common, or owners of community property, each such person shall be entitled to one vote if otherwise qualified. For example, a husband or a wife is eligible to vote if he or she shares with his or her spouse in the proceeds of the required crop as an owner, cash tenant, share tenant, sharecropper or landlord of a fixed rent, standing rent or share tenant. Thus, if a husband and wife are tenants or sharecropper on a farm, jointly responsible under the rental sharecropping agreement, both are eligible to vote. This is true whether the rental or sharecropping agreement is written, signed by both parties, or oral, provided both husband and wife made the oral agreement. A minor is not disqualified from voting solely because of minority if otherwise eligible and the minor is not less than 18 years of age.

(c) Voting by proxy prohibited. There shall be no voting by proxy or agent but a duly authorized officer of a corporation, association or their legal entity may cast its vote.

### § 1205.204 Voting.

(a) *Place of voting*. The FSA county office serving the county in which the producer's farm is located shall be the producer's polling place. For a person

CERTIFICATION OF COTTON PRODUCER
ORGANIZATION

## § 1205.341 Certification of cotton producer organization.

Any cotton producer organization within a cotton-producing State may request the Secretary for certification of eligibility to participate in nominating members and alternate members to represent such State on the Cotton Board. Such eligibility shall be based in addition to other available information upon a factual report submitted by the organization which shall contain information deemed relevant and specified by the Secretary for the making of such determination, including the following:

- (a) Geographic territory within the State covered by the organization's active membership:
- (b) Nature and size of the organization's active membership in the State, proportion of total of such active membership accounted for by farmers, a map showing the cotton-producing counties in such State in which the organization has members, the volume of cotton produced in each such county, the number of cotton producers in each such county, and the size of the organization's active cotton producer membership in each such county;
- (c) The extent to which the cotton producer membership of such organization is represented in setting the organization's policies:
- (d) Evidence of stability and permanency of the organization;
- (e) Sources from which the organization's operating funds are derived;

Any cotton producer organization found eligible by the Secretary under this §1205.341 will be certified by the Secretary, and the Secretary's determination as to eligibility is final.

- (a) Nature and size of organization's active membership, proportion of total active membership accounted for by cotton importers and the total amount of cotton imported by the organization's cotton importer members;
- (b) The extent to which the cotton importer membership of such organization is represented in setting the organization's policies;

- (f) The organization's ability and willingness to further the aims and objectives of the Act.

The primary consideration in determining the eligibility of an organization shall be whether its membership consist of a sufficient large number of cotton importers who import a relatively significant volume of cotton to reasonably warrant its participation in the nomination of members for the Cotton Board. Any importer organization found eligible by the Secretary under this \$1205.342 will be certified by the Secretary, and the Secretary's determination as to eligibility is final.

The initial importer representation on the Board shall consist of four importer representatives.
- (c) All members appointed from a state will be entitled to serve a full three-year term even though it is determined in a subsequent year that a state should have fewer additional members by using the average production of the five most recent marketing

- (a) Producer assessments. An assessment of \$1 per bale for cotton research and promotion is hereby levied on each bale of Upland cotton that is produced from cotton harvested and ginned except cotton consumed by any governmental agency from its own production. Such assessment shall be payable and collected only once on each bale.
- (1) A supplemental assessment for cotton research and promotion in addition to the \$1 per bale assessment provided for in paragraph (a) of this section, is hereby levied on each bale of Upland cotton harvested and ginned except cotton consumed by any governmental agency from its own production. The supplemental assessment rate shall be levied at the rate of fivetenths of one percent of:
- (i) The current value of the cotton multiplied by the number of pounds of lint cotton or;
- (ii) The current value of the cotton converted to a fixed amount per bale as reflected in the following assessment chart:

#### ASSESSMENT CHART 1

100.00 to 109.99	2.65
110.00 to 119.99	2.90

<sup>1</sup> Assessment is calculated on <sup>5</sup>/<sub>10</sub> of 1 percent of the midpoint of each 10¢ increment, based on a 500 lb. bale and converted to a fixed amount per bale.

(2) Each marketing year the collecting handler must select one of the two options for collecting the supplemental assessment as provided in paragraph (a)(1) of this section. The handler shall notify the Cotton Board as to the method selected at the time the handler files the first handler report each marketing year.

- (b) Importer assessment. An assessment for cotton research and promotion of \$1 per bale is hereby levied on each bale of cotton, or the bale equivalent thereof for cotton in cotton containing products identified in the HTS conversion factor table in paragraph (b)(3) of this section and imported into the United States on or after July 31, 1992. The \$1 per bale assessment shall be converted to a fixed amount per kilogram to facilitate the U.S. Customs Service in collecting this assessment.
- (1) A supplemental assessment for cotton research and promotion in addition to the \$1 per bale assessment provided for in paragraph (b) of this section is hereby levied on each bale of cotton or bale equivalent of cotton in cotton-containing products, identified in this subpart, imported into the United States on or after July 31, 1992. - (2) The 12-month average of monthly weighted average prices received by U.S. farmers will be calculated annually. Such weighted average will be used as the value of imported cotton for the purpose of levying the supplemental assessment on imported cotton and will be expressed in kilograms. The value of imported cotton for the purpose of levying this supplemental assessment is \$1.2876 cents per kilogram.
- (3) The following table contains Harmonized Tariff Schedule (HTS) classification numbers and corresponding conversion factors and assessments. The left column of the following table indicates the HTS classifications of imported cotton and cotton-containing products subject to assessment. The center column indicates the conversion factor for determining the raw fiber

- content for each kilogram of the HTS. HTS numbers for raw cotton have no conversion factor in the table. The right column indicates the total assessment per kilogram of the article assessed.
- (i) Any line item entry of cotton appearing on Customs entry documentation in which the value of the cotton contained therein results in the calculation of an assessment of two dollars (\$2.00) or less will not be subject to assessments as described in this section.
- (ii) In the event that any HTS number subject to assessment is changed and such change is merely a replacement of a previous number and has no impact on the physical properties, description, or cotton content of the product involved, assessments will continue to be collected based on the new number
